Our Strengths:

In today's economy, manufacturing plants have to watch every dollar spent. Working with Bowman Hollis, you can be sure that your dollars will stretch a long way. Our buying power and our investment in state-of-the-art fabrication equipment means that our prices are much better than smaller companies. And, with over 400 styles of belting in stock, plus our long experience in supporting customers, means that we can get what you need, when you need it.

Over 400 Styles of Belting in Inventory

There's a clear reason for Bowman Hollis becoming the South's premier distributor of industrial belting—equipment investment, inventory, and knowledgeable, dedicated people. Contact us today, to put us to work for you!
