YOUR COMPLETE FOOD AND BAKERY BELTING SUPPLIER ***WWW.BOWMANHOLLIS.COM***

Bowman Hollis is more than just another belting distributor. We specialize in knowledgeable, fast service. Our employees have a combined total of well over 100 years of belting experience, a good portion spent with major belt manufacturers. We stock several lines of European and conventional belting, including Habasit. Our shops can install cleats and V-guides and come to your processing facility and accurately field splice any belt you may require.

BAKERY

Bread, biscuits, doughnuts, no matter what your facility is baking, Bowman Hollis can make your life easier. We stock the finest European belting that can navigate the smallest nosebars. Rotary molder and cutter belts are our specialty. Bread baker belts for molders, depanners and just about anything your facility needs, including high temperature belts.

MEAT AND POULTRY

Bowman Hollis supplies a variety of fabric belts for the meat and poultry industry - belts for pickers, skimmers, dicers, etc. Edge sealing and cleats are no problem. We also offer HabasitLink Modular belting.

CONFECTIONERY

With our 118" splicing capabilities, we can cover your belting needs. Our easy tracking, durable urethane covered belting that can handle knife-edge nosebars will provide you with long, trouble free production. Ask us about the Habasit Cleanline belting. This modern thermoplastic cover is very economical and cleans up very easily.
